PROFESSOR ADEREMI KUKU NATIONAL YOUNG SCIENTISTS' PRIZE IN MATHEMATICS

CALL FOR APPLICATIONS

The Nigerian Young Academy (NYA) call for applications to her Prof. Aderemi Kuku National Young Scientist's Prize in Mathematical Sciences. These prize was established by the NYA, through the kind donation of Prof. Aderemi O. Kuku with a view to promoting original research in Mathematics, especially among young researchers (below 45 years) in Nigeria. The prizes were designed to recognize the scientific achievements of outstanding young researchers working in respective fields and living in Nigeria; and encourage them to continue to strive for excellence in their research.

Selection details

- The prize consists of an award certificate and ₦100,000 (one hundred thousand Naira only) prize money.
- The result of the selection will be announced by **May 30th 2019**.
- Members of NYA are excluded from competing for these prize.
- Persons who have applied for this prize are not eligible to apply for other prizes or NYA membership in the year they have applied for the prize.
- Multiple applications from same applicant for different NYA prizes will all be automatically disqualified.
- The prize shall be presented to the prize winner at the General Assembly/National Conference of the NYA in 2019. The date, place and details of the ceremony will be communicated to the prize winner.

How to apply

Complete the online application form by visiting the NYA website www.nigerianyoungacademy.org and click **Fill Form** under **Prizes Application**. **Signing in to google account is required for completion.** Follow all instructions on the form strictly.

Candidates should provide correct details of 3 individuals who will serve as their **referees** as the NYA will contact them directly for their recommendation.
